

Thank you for visiting His Way Appliance Service. We are dedicated to providing the best possible service to our clients as well as the best possible work environment for our staff. Due to the current situation with Covid19 in our area and around the globe, effective Monday, March 30th, we will only be conducting emergency appliance services to customers that have not been exposed to the virus in any manner. We apologize for any inconvenience this may cause, we are simply doing what we deem necessary to be socially responsible.

We will be running a limited schedule to service items that are truly emergency needs and will do our best to accommodate our customers. We anticipate resuming a regular schedule and workload by Monday, April 13th. All non-emergency types of service will be postponed until this time.

You may contact our office via email, info@hiswayapplianceservice.com, or text or call us at 205-338-0536, with your service needs and we will respond as soon as possible.

We truly appreciate your patience and understanding during this time, we look forward to providing you with our very best service as soon as possible. Have a blessed day, stay safe, stay vigilant. And remember, the Word of the Lord is a very present help in times of trouble. Do not fear, do not be anxious, put your trust in Him. And may the promises of Psalm 91 surround and sustain you and your loved ones.

Blessings,
